

# Confirmation of income from your employer

## **What types of certificates you can upload to your application**

- A valid income certificate issued by your employer

*A pay slip is not a proof of income*

## **What elements must be included in the certificate you upload**

- The name of the applicant
- The applicant's surname
- Applicant's date of birth
- Date of issue of the certificate (must coincide with the month of application)
- Name of employer
- Employer ID number
- Total amount of income

In the case of multiple employers, a confirmation from all employers must be provided

Income confirmation from the employer.
